Annual Report - Board of Directors
Milwaukee Radio Amateur's Club Inc.

May 22, 1958

To the Members of the M.R.A.C.

It is a pleasure to report to you on behalf of the Board of Directors.

The fiscal year will end May 29, 1958 at which time the new officers and directors will be installed.

With the completion of the fiscal year also marks the completion of forty years of continuous activity since the M.R.A.C was founded.

Some of the original founders are still active members.

Each officer and director has been faithful to his trust during the past year. Each has served with diligence giving full attention to the responsibilities of his office. Regular monthly meetings of the Directors have been held each first Tuesday of the month at the varios Director's homes with nearly perfect attendance.

Your directors have spent considerable time revieving the By-laws with regard

to voting privileges and classes of membership.

Your Directors took action during the year approving expenses relative to the publication of "Hamachatter". A typewriter was purchased for this purpose, as well as other club business.

Your Directors sanctioned the successful fortieth anniversary party held during the year.

Your Directors were instrumental in obtaining the present meeting place with a corresponding reduction in expenses.

The number of contests gained impetus with the efforts and cooperation of the Board.

Suggestions for the revision of the MRAC "Ham of the year" award were incorporated and approved by the Board.

All indications point to a very successful club season just passed.

My sincere appreciation is extended to the officers, directors, committeemen and fellow club members for the fine cooperation during the past year.

It is my sincere hope that the year ahead may be even more successful than the one just closed.

Respectfully submitted
E. T. Pochuk
Chairman of the Board
